

VT-MATIC Heavy Duty AC Sliding Motor VT-AC1000

VT-Matic AC1000 is an auto gate system that is suitable for sliding auto gates made from nylon pinion gear. The VT-AC1000 auto gate sliding motor is specially made for residential & Industrial sliding gates with 220-240V AC motor and up to 1000kg gate weight support.

Product Parameter

Parameter	Specification
Model	VT-AC1000
Voltage	AC240V
Current	1.5A Min
Motor Rotational Speed	1400rpm
Max Gate Gross Weight	1000kg
Speed (m/min)	12
Built-in Capacitor (μ F)	25
Motor Thermal Protection ($^{\circ}$ C)	125 ± 0.5
Power (W)	370
