

VT-MATIC Heavy Duty AC Sliding Motor VT-AC2000

VT-Matic VT2000 is an auto gate system that is suitable for sliding auto gates made from nylon pinion gear. The VT2000 auto gate sliding motor is specially made for residential & Industrial sliding gates with 220-240V AC motor and up to 2000kg gate weight support.

Product Parameter

Parameter	Specification
Model	VT-AC2000
Voltage	AC240V
Current	2.2A Min
Motor Rotational Speed	1400rpm
Max Gate Gross Weight	2000kg
Speed (m/min)	12
Built-in Capacitor (μF)	25
Motor Thermal Protection (°C)	125±0.5
Power (W)	600
